

Recorded readings

Job: WO-26-014

Asset ID: CB-101

Test date: 2026-09-25

Test type: Contact resistance record

Instrument: IT-204

Reading phase A: 1.2 mOhm

Reading phase B: 1.3 mOhm

Location: North building. Readings supplied without a technical conclusion.

All identities and readings are invented for a software demonstration.
Not a technical test procedure or an equipment condition assessment.
No limits, acceptance criteria, or pass/fail results are supplied.
